

Atlanta Doberman Pinscher Rescue Adoption Application

This Application is for your benefit as well as ours. The information you provide will enable us to better determine exactly what you are looking for in a Doberman, which Doberman will fit best into your lifestyle, and how a Doberman would fit into your home. Please be as detailed in your answers as possible to help ensure the best fit between you and your Doberman.

If we do not feel you can provide a proper home for a Doberman, we will tell you why we feel that way. Dobermans are not for everyone. **Remember, that this is a lifetime commitment. If you doubt that you can make such a commitment, please stop here.** Do not put one of our Dobermans through the trauma of being rejected from yet another home.

We do not sell the dogs available for adoption. The minimum donation to adopt one of our Dobermans is \$250.00. This helps cover the cost of the initial rescue, shots, spay/neuter, micro chipping, heartworm testing and other expenses incurred in caring for the dogs.
